DEDICATION

They have understood our problems, assisted us with patience of steel, inspired us with confidence, encouraged us when we were disheartened, and gave us a new school and gym.

Words can't express our appreciation for their various contributions; but to show how much we love, honor, and respect them, the 1956 Aurora Staff dedicates the '56 Aurora to the parents of Eastern High School.

FOREWORD

With our school year swiftly closing we pause to catch a final glimpse of the happiness and friends we've had. Many things have happened this year we shall never forget. We find ourselves holding closely to our hearts the fond memories of this past year at E.H.S. The 1956 Aurora is yours. You made it; we preserved it through word and picture.

THE STAFF

MR. BERNARD DeWITT

Our principal and superintendent of the Eastern Corporation is helping Dale Miller with a problem concerning the annual, as he helps many students with their problems concerning their school activities and makes sure that everything goes the way it is intended to.

MR. ROBERT CAMERON

The vice principal and also the athletic director for the school. He is doing a fine job and I think everyone appreciates his fine work.

MRS. SMITH

If you are ever in the office you will see the smiling face of Mrs. Smith, the office secretary.

It is made up of the President and Vice President plus two members from each class except the seniors where three members are chosen. The members are chosen for a term of two years.

Each year, an outstanding member is chosen by the faculty and her name engraved in a gold plaque. The outstanding girl of 1955 was Diane Buckley.

The Union building school grounds were used for a practice field all season because the gridiron at the high school was not ready for use. Twenty-seven boys reported for practice during the season. The first practice was called on August 22. The nucleus of the 56-57 team should come from these boys.

Four games were played with no wins scored. The results were Fairmount "B" 34, Eastern 19; Kokomo Frosh 26, Eastern 0; Frankfort "B" 34, Eastern 0; and Kokomo Frosh 12, Eastern 6.

Twenty-four boys received minor letters at the Athletic Banquet for finishing the season. The coach for football was Mr. Kistler and he did a fine job.
